A LITTLE SPICE NEVER HURT ANYONE, AND OPHELIA'S RESTAURANT, BAR AND LIVE MUSIC VENUE KNOWS HOW TO THROW DOWN.

FOOD: GASTROBROTHEL ___ VIBE: HEDON'S LAIR ___ SAFE WORD: LOUDER

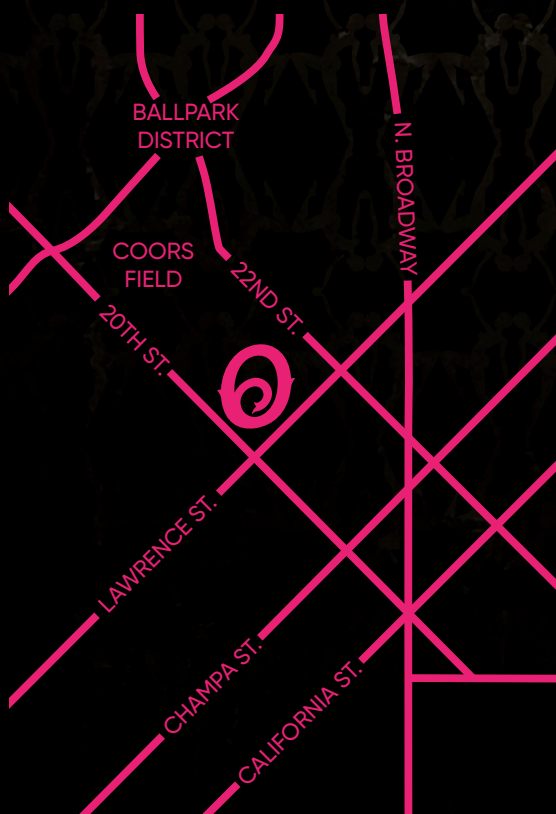

IF THESE WALLS COULD TALK... THEY WOULD MOAN!

Ophelia's is located directly in downtown Denver blocks from the Rockies stadium & historic Union Station.

This swank Ballpark gem serves up gastrobrothel fare paired with fresh kinks on classic cocktails and neo-old-school hospitality. The building, a Victorian brownstone, was a brothel, sex shop, and peep show before becoming Ophelia's, and now flaunts its sultry beginnings in a style both cheeky and sex positive.

Ophelia's is a boudoir-chic historical remix and Denver's **sexiest** spot to indulge.
